starting this past Wednesday, June 19, for crews to perform concrete work for five days. Both I-43 northbound and southbound ramps at Highland Road are closed as well. Access is being maintained for emergency responders. Motorists are encouraged to use Port Washington Road (County W), Pioneer Road (County C), and Lakeshore Drive to get around this closure. Barring any weather delays, Highland Road is anticipated to reopen Monday morning, June 24.

Parks and Open Space Board Invites Residents to Take Survey

2024 MEQUON PARKS & OPEN SPACE PLAN SURVEY

SCAN HERE

The City of Mequon is updating its Parks and Open Space Plan (POSP). This plan serves to guide the continual improvement of the City's parks, open spaces, and recreational facilities. The POSP also maintains the City's eligibility for key state and federal grants. The City realizes the importance and benefits that parks bring to the community and is committed to meeting the needs of its current and future residents. By participating in this survey, residents are helping to shape the future of Mequon parks. Please take the survey at this [link](#) or by scanning the above QR code.

Temporary Speed Radar Signs Move to Second Location

In late March, the Police Department welcomed two solar-powered Radar Speed Signs. After collaborating with the Department of Public Works, the speed signs were deployed within two subdivisions on April 12. The speed signs have now been placed in their second locations in the community. The response to the program has been notable, with multiple requests for the speed signs in the first month. Beyond the primary goal of enhancing road safety, the program has created a new avenue of communication between citizens and the Police Department. Additional information and how to request a speed sign deployment can be found [here](#).

City Seeking New Utilities Manager

The City is currently seeking qualified candidates to apply for a full-time Utilities Manger position that performs professional engineering and administrative work in connection with the planning, budgeting, design, construction, and management of all City utilities. Police Department Pays Final Tribute to K9 Founder

On Monday, several members of the Police Department, including the four-legged type, attended the funeral of David Delahunt. The Department deeply mourns the loss of the esteemed founder of the Police K9 Unit, whose dedication and passion for service were truly unparalleled. His innovative vision and tireless efforts have left an indelible mark on this community, enhancing the way the Department ensures public safety. Dave's legacy will live on through the K9 officers and their human partners that he helped bring about. Our thoughts and prayers are with his family during this difficult time. Pictured above is Dave and a challenge coin he provided to all the members of the Department last December.

High Temperatures Make Pool Attendance Soar

The warm temperatures finally arrived over the past two weeks, bringing many patrons to the Community Pool to cool off. Over 500 guests visited the pool on the peak day of June 12, followed by continued record breaking attendance this week as well. Daily passes are

available for those without season passes. Rates for all pass types can be found [here](#). Furthermore, the pool is also available for private rental before and after hours, more information regarding rentals can be found at this [link](#). And don't forget to grab a bite at one of next week's food trucks, a schedule for which is below. See you at the pool!
