

2024 Mequon Road Program

Weekly Update - June 10 to June 14

The project is currently on schedule to begin week of June 17

- Payne & Dolan crews arriving in Mequon to begin road program work—week of June 17
- Early stage work on Highland Road—Wauwatosa Rd west to railroad tracks
- Tree removals and grading work will begin in this stage
- Highland Rd project will have a detour directing traffic on Wauwatosa Rd, Bonniwell Rd, and Cedarburg Rd

Work Forecast - June 10 to June 14

- Detour on Highland Road will be setup.
- Project staking will begin—this is done to provide construction crews information on what to do in specific areas. Grading, culverts, and road details.
- Highland Rd widening work to provide 4ft wide paved shoulders on each side of the road.
- Grading work to improve slopes and drainage in the area.

Traffic tip:

Be cautious while driving through construction sites. Pay attention to workers and equipment. Crews will help guide traffic through the work area. If a detour exists, be sure to follow the signage.
